Model#:	20040
Material:	hot galvanised, steel
EAN:	4011972200400
Item Weight:	1,6 kg
Qty per display:	50 pcs.
Qty per carton:	12 pcs.

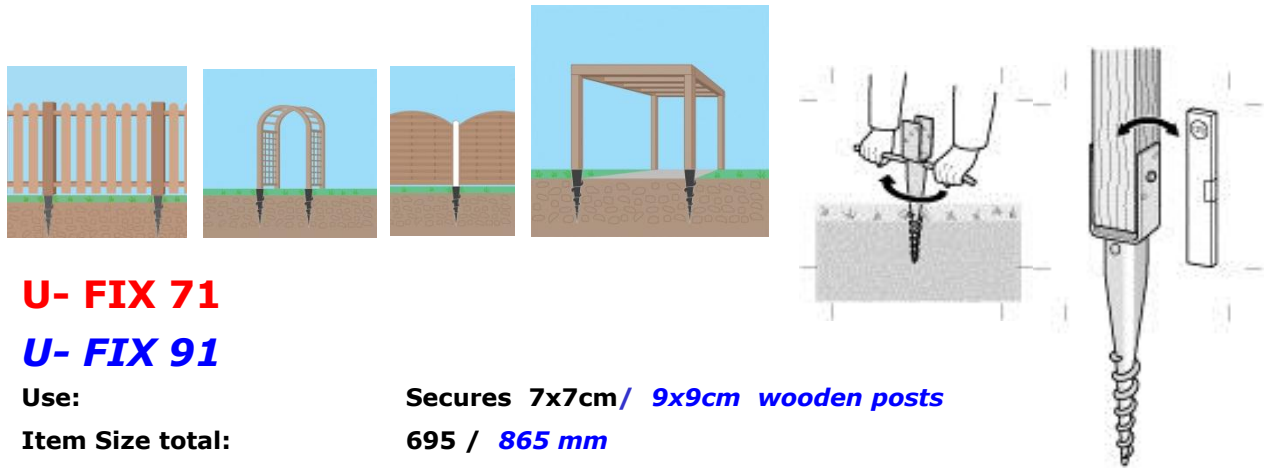

GARDEN

That's how easy it works:

Screw the **U-FIX** ground screw with the bar straight into the ground. While screwing align vertically with a level if needed. To keep the post in best condition place a small piece of wood (1 cm) inside the collar and remove afterwards. Check & align post vertically. Secure both sides with suitable screws. U-Fix design protects posts against rod and decay. It is strong, durable and professional.
